

# RY STAR FIX

Transparent and colored bi-component product

## PRODUCT DESCRIPTION:

Bi-component product, available both transparent and colored, recommended for gluing marble, quartz and ceramic. Excellent adhesion in short time. Thanks to its soft consistency, it is really easy to work. Ready to use product. Excellent resistance to UV rays. Recommended for outdoor and indoor applications. Zero VOC.

## INSTRUCTIONS FOR USE:

The surface must be clean and dry without any residues of wax, dust or grease. Mix part A and part B with the correct ratio mix (2:1 by weight).

## PACKAGING:

ML215

## SHELF LIFE:

The product is guaranteed 12 months from production date if stored in its original container, away from humidity, direct sunlight and cold.

## SAFETY:

Read the instructions on the technical and safety data sheet before using the product.
